What Austin Bachelor & Bachelorette Parties Are Saying

Featured Video Testimonial Section:

[EMBED VIDEO TESTIMONIAL - Most compelling one with bride/groom]

Video Caption: "Sarah's Austin Bachelorette Party - Why She Says Premier Was the Highlight of Her Weekend"

Meet Sarah - Maid of Honor from Dallas

"I was SO stressed trying to coordinate 12 bridesmaids across 4 different states for my best friend's bachelorette weekend in Austin. When I found Premier Party Cruises, everything changed.

They handled EVERYTHING. I literally just booked it, sent the link to the girls, and showed up. The bride didn't have to lift a finger.

The day of the cruise, we walked onto the boat and it was already decorated, the DJ was playing our favorite songs, the coolers were full of ice, and there were 100+ other bachelorette parties there creating the most insane energy I've ever experienced.

The bride literally cried happy tears on the boat. She said it was the best day of her entire bachelorette weekend—and we did some REALLY fun stuff that weekend.

I looked like a hero and I didn't even do anything. Premier did it all.

If you're planning any kind of party in Austin, book them. You'll thank me."

SECTION 6: MEET BRIAN (ORIGIN STORY - BUILD CONNECTION)

H2:

Why I Started Premier Party Cruises (And Why I Still Care)

Copy:

Hey, I'm Brian Hill. I started Premier Party Cruises in 2009 when I was 23, fresh out of UT with a mechanical engineering degree.

After a year at a desk job, I realized the office life wasn't for me. Against my parents' wishes (sorry, Mom and Dad), I built a 50-foot party boat with my bare hands on Lake Travis and started renting it out.

People thought I was crazy. Maybe I was. But I saw something missing in Austin—a party experience that was actually FUN, stress-free, safe, and memorable.

Not just "rent a boat and figure it out yourself." A full EXPERIENCE where people could just show up and have the time of their lives.

15 years later, we've hosted over 15,000 guests across 500+ cruises a year. We now have 4 boats, an amazing crew, and the best safety record on Lake Travis.

But what drives me isn't the business—it's the texts I get on Sunday nights from brides saying "that was the best day of my life" or best men saying "dude, everyone's still talking about it."

We're not the biggest company. We're not trying to be. We're just trying to give you the best damn party experience you've ever had.

Every single cruise matters to me personally. I still get on the boats. I still talk to guests. I still obsess over every detail.

When you book with Premier, you're not just renting a boat. You're becoming part of our extended Austin family.

Let's make some incredible memories together.

- Brian

SECTION 7: COST OF INACTION

H2:

What Happens If You Don't Book Premier?

Copy:

Let's be real about your options:

OPTION 1: You DIY it

You spend 15-20 hours on Google trying to find a boat rental, book a DJ, coordinate a photographer, figure out floats, arrange transportation, manage payment collection, and stress about every detail.

Saturday arrives. Half your group is late. The boat you rented is... fine. The captain seems annoyed. There's no music system (or it doesn't work). Everyone's kind of bored. Someone asks "is this it?"

You spent $3,000+ and the day was... mediocre. You're exhausted from planning and disappointed it wasn't better.

OPTION 2: You book another boat company

You find a cheaper option. They have fewer reviews but whatever, it's cheaper.

The boat shows up late. It's older than expected. The captain is fine but not great. You're supposed to bring everything but you forgot half of what you needed. The 2-hour cruise feels short. You wish you'd spent more for a better experience.

OPTION 3: You book Premier Party Cruises

You fill out a 2-minute form. Get an instant quote. Book it. Done.

Saturday arrives. You show up (on time because we sent you 5 reminders). Everything is ready. The DJ is playing your favorite songs. The boat is immaculate. The captain is awesome. The photographer is capturing every moment.

You're on Lake Travis with 150 people having the absolute time of your life. No stress. No coordination. Just pure fun.

The day ends. You have 500+ professional photos. Stories you'll tell for years. New friends from across the country. The bride/groom/birthday person is beaming. Everyone agrees: "THAT was epic."

You spent less than DIY, got infinitely better experience, and you're already planning to come back next year.

Which option sounds better?

THE REAL COST OF WAITING:

Every weekend that passes is one less chance to experience this. We sell out 2-3 weeks in advance during peak season.

The longer you wait:

- ✗ The fewer spots remain (we cap at 150 guests per cruise)
- ✗ The less likely you get your preferred date
- ✗ The more likely you end up with a mediocre alternative
- ✗ The more time you waste researching other options

You can book now with just a 25% deposit and full refund policy up to 30 days out. There's literally zero risk and all the upside.

Austin Party Boat FAQs - Everything You Need to Know

Intro: We've hosted 15,000+ guests over 15 years. Here are the questions everyone asks:

BOOKING & PRICING

Q: How much does an Austin party boat cruise cost?

A: ATX Disco Cruise packages range from $85-$105 per person (all-inclusive with DJ, photographer, floats, and more).

Private cruises start at [price] and vary based on boat size (14, 25, or 50 guests), duration, and add-ons.

We offer transparent pricing with no hidden fees. What you see in your quote is what you pay (plus 20% gratuity included).

Q: What's included in the price?

A: For ATX Disco Cruise:

- 4-hour Lake Travis cruise
- Professional DJ
- Professional photographer (digital photos delivered)
- Giant inflatable floats
- Ice, water, coolers
- Party supplies, koozies, name tags
- Mimosa setups
- 20% gratuity

For Private Cruises:

- Experienced captain
- Bluetooth speakers
- Clean restroom
- Shaded seating
- Swim time
- Cooler space
- 20% gratuity

Add-ons available: DJ, photographer, lily pads, decorations

Q: Do I need to pay in full when booking?

A: No! Just a 25% deposit to reserve your spot. Full payment is due 30 days before your cruise date. We also offer split payment options where each person in your group can pay their share directly.

Q: What's your cancellation policy?

A: For ATX Disco Cruise: Rain or shine, the party happens. If the captain deems it unsafe to go on the water, we'll host the Lemonade Disco (land-based party at the marina with same DJ, vibe, and fun).

For Private Cruises: You can cancel or reschedule up to 30 days before for full refund. Within 30 days, we'll work with you based on circumstances.

WHAT TO EXPECT

Q: What's the ATX Disco Cruise experience actually like?

A: Picture this: You board a massive party boat with 100-150 other bachelor and bachelorette parties from all over the country. Professional DJ is playing your favorite hits. Disco balls spinning. Energy is ELECTRIC.

We cruise Lake Travis for 4 hours with swim time, dancing, giant float time, and non-stop fun. Professional photographer captures everything. It's the most epic party experience Austin offers.

Q: Will we be separated from our group?

A: Never! Your group stays together the entire time. With Disco Queen or Super Sparkle packages, you get reserved spots on the boat for your group. You can socialize with other groups as much or as little as you want—it's your experience.

Q: What should I bring?

A: Just bring:

- Drinks (BYOB - cans or plastic bottles only, except champagne can be glass)
- Food (ready-to-eat—no grilling allowed)
- Towels
- Sunscreen
- Good vibes!

We provide ice, coolers, cups, koozies, and party supplies.

Q: Can I bring alcohol?

A: Yes! It's BYOB. Beer, seltzers, wine, champagne all welcome. Please put drinks in cans or plastic bottles (champagne is the only glass allowed).

We highly encourage you to avoid hard liquor—beer and seltzers keep the vibe perfect without anyone getting too drunk. Trust us on this.

LOGISTICS

Q: Where do I go?

A: Anderson Mill Marina
13993 FM2769, Leander, TX 78641

About 30 minutes from downtown Austin (closest marina to Austin compared to other Lake Travis marinas at 45-60 min).

Free parking available. Arrive 15 minutes before your cruise time.

Q: What about transportation?

A: We recommend Uber XL/Lyft. SCHEDULE your ride ahead of time to guarantee pickup.

We previously offered group transportation but it's currently on hold. Uber/Lyft has been most reliable for our guests.

Q: What if I'm running late?

A: The boat departs exactly on time (we have 149 other people waiting). We can wait up to 10 minutes maximum.

We send you 5 reminders before your cruise. Set an alarm. Don't miss the boat! (No refunds for missed departure)

Q: What's the weather situation?

A: All cruises are rain or shine—our boats have plenty of cover. Austin weather is spotty; usually rain passes quickly and the party continues!

If the captain deems conditions unsafe (very rare), we'll either:

- ATX Disco: Host the Lemonade Disco (land party, same DJ/vibe)
- Private: Reschedule, join Lemonade Disco, or receive 75% refund

---

SAFETY & RULES

Q: How safe is this?

A: Extremely safe. We have:

- Perfect safety record (zero incidents in 15 years)
- Coast Guard certified captains
- Defibrillators on every boat
- Extensive first aid kits
- Inflatable life vests
- Life jackets for everyone
- Scuba tanks on board
- Professional, experienced crew

We take safety more seriously than any other boat company on Lake Travis.

Q: What are the age requirements?

A: ATX Disco Cruise: 22+ minimum (exceptions for 21-year-olds in groups 22+)

Private Cruises: Average age 25+ (exceptions for families with parents responsible for minors)

Children allowed on private cruises with parental supervision. Must have proper life jackets.

Q: What are the rules?

A: Simple:

1. Don't be a jerk (be respectful to crew and other guests)
2. Don't get dangerously drunk (pace yourself, drink water)
3. Don't litter (trash goes in trash cans)
4. Listen to captain's instructions
5. Have fun!

If anyone becomes a danger to themselves or others, captain reserves the right to end the cruise early (no refund). This is extremely rare—just don't be that person.

SPECIAL CIRCUMSTANCES

Q: Can I bring kids?

A: Yes, on private cruises! Children count toward boat capacity. You must have 1 adult per child. Must bring properly-fitting life jackets. Parents responsible for supervision (no lifeguard on duty).

Kids not allowed on ATX Disco Cruise (adult party atmosphere).

Q: Is this wheelchair accessible?

A: Yes! We can accommodate wheelchairs. There's a small gap (6-12 inches) between dock and boat. We'll need 3-4 people from your group to help safely transfer the wheelchair. Discuss with captain ahead of time for smoothest experience.

Q: Can I bring my dog?

A: Unfortunately, no pets allowed (service animals excepted). Lake Travis environment and party atmosphere isn't suitable for pets.

Q: Can we bring decorations?

A: Yes! Feel free to decorate (arrive 15 min early to set up). Please NO confetti, balloons that pop, feather boas, or anything that litters the lake. Don't Mess With Texas! 🤠

THE BOATS

Q: Which boat will we be on?

A: We have 4 boats:

- **Day Tripper:** 14 guests (intimate)
- **The Irony & Meeseeks:** 25 guests each (medium)
- **Clever Girl:** 50+ guests (large)

For ATX Disco Cruise, we use our larger boats. For private cruises, we match boat size to your group.

Q: Do the boats have bathrooms?

A: Yes! Every boat has a clean, well-maintained restroom.

Q: Can we grill food on the boat?

A: No, for safety reasons. Bring ready-to-eat food (sandwiches, tacos, pizza, etc.). Burns hurt!

PHOTOS & MEMORIES

Q: When will I get my photos?

A: Professional photos are delivered digitally 2-3 weeks after your cruise. You'll get an email with download link. All photos included (usually 300-500 photos).

Q: Can I take my own photos?

A: Absolutely! Take all the photos and videos you want. Just be careful with phones near water. We're not responsible for dropped phones (happens more than you'd think!).
