HIGH VOLUME (5,400+ monthly searches):

- party boats (8,100)
- party boat (8,100)
- barge party (5,400)
- rental party boats (5,400)

Strategy: These have high competition but high reward. Focus on long-tail variations.

MEDIUM VOLUME (1,000-5,400 monthly searches):

- austin bachelorette weekend (4,400)
- austin bachelorette party (4,400)
- bachelorette parties in austin tx (4,400)
- party boat austin (1,300)
- party boat austin texas (1,300)
- party boats austin (1,300)

Strategy: These are your sweet spot - good volume, winnable rankings, local intent.

LOW VOLUME BUT HIGH INTENT (Under 1,000 monthly searches):

- atx disco cruise (110)
- disco cruise austin (20)
- premier party cruises (390)

Strategy: Already ranking #1, focus on maintaining and capturing branded searches.

🎯 KEYWORD OPTIMIZATION STRATEGY BY PAGE TYPE

For BRAND PAGES (Homepage, Disco Cruise):

- High density of brand terms (15-20x mentions)
- Focus on maintaining #1 rankings
- Build authority through content depth
- Heavy use of schema markup

For SERVICE PAGES (Bachelorette, Bachelor, Private):

- 10-15x mentions of primary keyword
- 8-10x mentions of secondary keywords
- Natural integration throughout content
- Focus on user intent matching

For NICHE PAGES (Team Building, Sweet 16, etc.):

- 8-10x mentions of primary keyword
- Focus on specific pain points
- Longer-tail keyword targeting
- Answer specific questions

🔍 KEYWORD RESEARCH INSIGHTS

From Your Keyword Report Analysis:

Best Performing:

- You already rank #1 for your branded terms (premier party cruises)
- You rank #1-2 for main party boat terms

- Strong position for disco cruise terms

Biggest Opportunities:

1. **Bachelorette Terms:** Huge opportunity - ranking #12-20 for high-volume terms
2. **Private Rental Terms:** Big potential - ranking #19-35 for boat rental terms
3. **Corporate Terms:** Untapped market - little competition

Quick Wins:

- Move from #2 to #1 for "party boat austin tx" (just need small optimization)
- Move from #2 to #1 for "austin party boat" (same)
- Capture #1 for "austin bachelorette party" (currently #13, very doable)
